Education

- PhD** The Ohio State University, Department of Theatre, theory and criticism, 1986. Dissertation: "Toward the Design of a Computer-Based Interactive Fantasy System."
MFA The Ohio State University, Department of Theatre, acting and directing, 1975
BA DePauw University, Speech and Theatre, magna cum laude and valedictorian, 1972

Professional Experience

- 2013-now** **Neogaian Interactive**
Consultant, speaker, and independent scholar
- 2013-2015** **University of California at Santa Cruz**
Adjunct Professor in Computational Media, Research Associate and Affiliated Faculty in Digital Arts and New Media
- 2006-2012** **Graduate Program in Design, California College of the Arts**
Founding Chair and Professor: Designed and developed a transdisciplinary MFA Design degree that combined 2D, 3D and Interaction Design. Teaching included Design Research and Thesis.
- 2005-2006** **Sun Microsystems Laboratories**
Distinguished Engineer and Senior Director: As experience design lead, worked on projects including life-sized video remote interaction, game server, and mobile devices. Co-authored patent granted for video-on-demand UI.
- 1999-2006** **Graduate Media Design Program, Art Center College of Design**
2000-2006 Chair and Professor: Primary faculty for Super Studio design research course. Key contributor to the Art Center Design Research curriculum, sponsorship strategy, and IP Policy.
1999-2002 Served as principal designer of a new curriculum for the New Media Program (subsumed by the Graduate Media Design program in 2002), core faculty member.
- 1996-1999** **Purple Moon**
Co-founder, Vice President for Design, Member of the Board of Directors for a transmedia company devoted to preteen girls. Products included CD-ROM games, website, and toys.
- 1992-1997** **Interval Research Corporation**
Member of the Research Staff, Technology and Culture: Produced and co-directed a pioneering Virtual Reality project (*Placeholder*). Managed a four-year R&D effort to understand relationships between gender and technology among children and teens.
- 1987-92** **Consultant**
Consultant in interaction design for clients such as Apple, LucasArts Entertainment, Epyx, American Interactive Media, Brøderbund, Citibank, Carnegie Mellon University, Fujitsu Labs, Paramount New Media, Sony Pictures, and the Communication Research Institute of Australia.
- 1990-91** **Telepresence Research, Inc.**
Co-founder and President of a company for research and development in virtual reality and telepresence.
- 1985-87** **Activision, Inc.**
Director of Product Development, Learning and Creativity
- 1980-84** **Atari, Inc.**
1982-84 Member of the Research Staff, Atari Sunnyvale Research Lab
1980-82 Manager, Software Strategy and Producing Team, Home Computer Division

1977-80 **CyberVision, Inc.**
1978-80 Manager, Educational Product Design
1977-78 Software Designer and Programmer

Ongoing **Theatre Work and Teaching**

Ongoing Academic tutor and personal advisor
Ongoing Actor and director, academic, professional, and community theatre; video, radio and TV
1992-93 Script consultant for Oliver Stone's ABC Miniseries, *Wild Palms*
1972-79 Teacher of courses in general theatre, acting, and directing at Ohio State, Otterbein College and University of Wisconsin at Stevens Point

Board Work

2017-2021 Board of Directors, Interaction Design Association, Global
2012-2014 Board of Directors, Center for Digital Storytelling
2000-2008 Board of Advisors, Cheskin Research (acquired in 2008)
1998-2008 Board of Advisors, MIT Comparative Media Studies Program
1993-2021 Board of Governors, Communication Research Institute (Australia)
1988-1991 Co-founder and Member of the Board of the Computer Game Developers' Conference

Awards and Honors

AWE Hall of Fame Inductee, 2024
IEEE Virtual Reality Society, Inaugural Inductee, 2022
Nextant Award, Virtual World Society, 2017
Trailblazer Award, IndieCade, 2015
Equity Award, American Association for Higher Education, 2004
Chrysler Award Nominee, 2002
National Design Award in Product Design Nominee, Cooper-Hewitt Museum, 2002
Big Brothers / Big Sisters Achievement Award, 2001
Girls Scouts of Santa Clara, CA, World of Today and Tomorrow Award, 1999
Girls Inc. Award for Leading Women in Animation, 1998
Top 25 Women on the Web, Webgrrls, 1998
25 Most Influential Working Women, *Working Woman*, 1997
First Technology Fellow, University of California at Monterey Bay, 1997

Books

Computers as Theatre, Second Edition, Pearson, 2014
Editor, *Design Research: Methods and Perspectives*, MIT Press, 2004
Utopian Entrepreneur, MIT Press, 2001
Computers as Theatre. Addison-Wesley, 1991. Paperbound edition (revised), 1993
Editor, *The Art of Human-Computer Interface Design*. Addison-Wesley, 1990

Selected Presentations and Workshops

- “Consciousness in Place.” Keynote, Shasha Seminar, Wesleyan University, November 2023.
- “Designing Interactions with Earth.” Keynote, IxDA 23, Zurich, February 2023.
- “Thunder and Lightning.” Commencement Address, Human-Centered Design & Engineering, U. Washington, June 2019.
- “Things I Learned in School: Teaching Design Research.” Keynote, IxDA Education Summit, Lyon, February 2018.

“This Is the Way the World Ends.” Keynote, UX Lisbon, May 2017.

“AR and VR: What’s the Story?” IxDA 17, New York, February 2017.

“Staying Grounded in a Sea of New Realities.” Keynote, UX Ireland, Dublin, November 2016.

“Perennial Challenges in Virtual Reality Design.” Keynote, Weird Reality (Art and Code Conference), Carnegie Mellon University, Pittsburgh, October 2016.

“Maps as Stories and Stories as Maps.” Keynote, North American Cartographic Society, Minneapolis, September 2015.

“Starstuff: Networking with Nature.” Keynote, Information Architecture Society, Minneapolis, April 2015.

“Enabling Realities.” Keynote, Queerness and Games Conference, U. C. Berkeley, October 2014.

“A Trip to the Moon.” Keynote, Feminists in Games (FIG) Conference, Vancouver BC, June 2013.

“Crossing Boundaries between Technology and the Humanities.” UCSC Media Symposium, September 2012, and UX Week, San Francisco, August 2013.

“Authorship in Interactive Media: 35 Years of Change.” Keynote, IxDA, Boulder, CO, February 2011.

“Making Meaning through Design Research.” Keynote, Robots and Representation Symposium, Purdue University, W. Lafayette, IN, November 2010.

“Meeting People Where They Are: Design Research in Persuasive Computing.” Keynote, Persuasive Computing Conference, Claremont, CA, April 2009.

“Boundary Crossing: Ten Simple Heuristics.” Keynote, HASTAC (Humanities, Arts, Science Technology Advanced Collaboratory), Irvine, CA, May 2008.

“Design Research: Processes and Provocations.” Keynote, EPIC, Keystone, CO, Sept. 2007.

“Designed Animism: Poetics for a New World.” Keynote, OOPSLA 2006 and Keynote, UBICOMP 2006.

“Designing with New Media.” Keynote, New Media Consortium National Conference, Cleveland, OH, June 2006.

“Beyond *Barbie vs. Mortal Kombat*.” Panel, NSF-funded conference on gender and gaming, UCLA, May 2006.

“Design in Technology Education.” Hanzehogeschool, Groningen, Netherlands. November 2005.

“Design Research: Case Studies.” Stephen Weiss Memorial Lecture, Parsons School of Design New York, August 2005.

“Design Research: Informed Creativity.” Invited lecture, University of Memphis, University of Minnesota, and other educational and corporate venues, 2003-2004.

“The Invisible Kingdom: In Search of the Feminine in Technology Design.” Keynote, IFWE conference for women in e-learning, Phoenix, August 2004.

“Oh, the Stories We Tell.” Invited address, Art Center Design Conference, Pasadena, CA, March 2004.

“Achieving a State of Trans.” Keynotes, Information Architecture Summit, Austin, TX, March 2004; SXSW Interactive, Austin, TX, March 2004; invited lecture, Rensselaer Polytechnic Institute, Troy, NY, March 2004.

“Design Research in Action.” Invited address, AIGA Conference, Vancouver, Canada, October 2003.

“Knowledge in the Age of the Internet.” Keynote, Millennium-Tage Kassel, Kassel, Germany, October 2002.

“Collaborating in Cultural Change.” Keynote, Umeå Forum, Umeå, Sweden, June 2002.

“Reclaiming Media: Doing Culture Work in These Weird Times.” Invited address, AIGA Voice, Washington, D.C., March 2002.

“Cultural Change through Collaboration.” Keynote, RIMA, Quebec City, Quebec, March 2002.

“Gender and Game Design” and “Story Spaces for Children.” Indiana University, January 2002.

“Culture Work in Cyberspace.” Digital Frontier Conference, University of Buffalo, NY, November 2001.

“Integrated Circuit: A View of Nature and Technology.” Science & the Spiritual Quest, UNESCO, Paris, June 2001.

“Ethics in HCI” (panel) and judge, “Interactionary,” CHI 2001, Seattle, April 2001.

VERGE Moderator, AIGA conference on Experience Design, New York, March 2001.

“Content & Design in a Transmedia World.” Nielsen/Norman Group Tour, Europe, U.S. and Asia, 2000-1.

“New Players, New Games.” Keynote, Game Developers’ Conference, San Jose, CA, March 1999.

“Games Girls Play.” Doors of Perception Conference, Amsterdam, Netherlands, Nov. 1998.

“Researching Girls and Technology.” Keynote, Camden Technology Conf., Camden ME, Oct. 1998.

“Exploring Interactive Story Space.” Keynote, Digital Storytelling Festival, Crested Butte CO, Sept. 1998.

“Technological Humanism and Values-Driven Design.” Keynote, CHI ’98, Los Angeles, April 1998.

“Technological Humanism.” Keynote, MILIA ’98, Cannes, France, February 1998.

“Listening to Girls.” Maistage presenter, TED, Monterey, January 1998.

“The Ethos of Computing.” Invited address, ACM’97 (hosted by James Burke), the 50th Anniversary of Computing, San Jose, CA, March 1997.

“Technology and the Self.” Panel with Marvin Minsky, Bran Ferren, Sherry Turkle, Danny Hillis, and Kevin Kelly. Seventh Roundtable in Multimedia, Marina Del Rey, March 1996.

“Transforming the Relationship between Technology and Nature.” Doors of Perception, Amsterdam, November 1995.

“Musings on Amusements in America.” Digital Dialectic Conference, Art Center College of Design, Pasadena, CA, September 1995.

“Dramatic Interaction in Placeholder.” AAAI ’95 Spring Symposium on Interactive Story Systems: Plot and Character. Stanford University, CA, March 1995.

“Real Bodies in Virtual Worlds.” Cybersphere, International Symposium on Cyberspace, Stockholm, Sweden, October 1994.

“Theatrical Design and New Technologies.” Keynote, Theatre & Education Conference, Tempe, Arizona, August 1994.

“Computer Graphics and Human Evolution.” Panel, SIGGRAPH ’94, Orlando, FL, July 1994.

“A Dialogue with Nature.” Fourth International Conference on Cyberspace. Banff, Alberta, June 1994.

“Learning in Virtual Worlds.” Keynote addresses, ISTE Technology in the Rockies Conference, Denver, CO, October 1992, and CUE (Computer-Using Educators), San Jose, CA, October 1992.

“LBE: The L is for Location.” Digital World, Beverly Hills, CA, June 1992.

“The Future of Television.” Keynote, PREPUT/INPUT (public television producers), Baltimore, May 1992.

“Anthropomorphism in the Interface.” Panel, ACM SIGCHI ’92, Monterey, CA, May 1992.

“Multimedia as Designed Experience.” Keynote, CD-I Developers’ Conference, San Diego, April 1992.

“Telepresence.” Lecture and workshop, Informatique ’92: Interface to Real and Virtual Worlds, Montpellier, France, March 1992.

“Form and Interactive Media.” Lectures on Society, Technology, and Representation, California College of Arts and Crafts, San Francisco, February 1992.

“Control, Collaboration, and Emergent Form.” Mainstage presenter, TED, Monterey, CA, February 1992.

“Future Visions in Interactive Media.” The New Digital Human Be-In, San Francisco, CA, Jan. 1992.

“Be There Here: Telepresence and Virtual Reality.” Seminar, Human Computer Interaction Project on People, Computers and Design. Stanford University, Dept. of Computer Science, November 1991.

“Telepresence.” Invited lecture, NTT Technology Seminar Series. Tokyo, October 1991.

“The Cybernetic Frontier: Speculations on the Future of Human-Computer Interaction.” Keynote, Designing Information for People Symposium, Communication Research Institute of Australia. Canberra, Australia, October 1991.

“Telepresence and Virtual Reality.” Keynote, Mosaic Conference, Australian Computer Society. Adelaide, Australia, October 1991.

“Telepresence and Virtual Reality.” Lectures. University of Technology, Sydney; Swinburne Institute of Technology, Melbourne; Australian National University, Canberra; Command Support Systems, Australian National Defense Organization, Canberra; and University of Canberra. October 1991.

“Art and Activism in VR.” Symposium on Virtual Reality, San Francisco Art Institute, Sept. 1991.

“Fusion Education: Resources for the Twenty-First Century Computer Artist.” Educators' Panel, SIGGRAPH '91. Las Vegas, July 1991.

“Telepresence: Its Origins and Future in Art and Communication.” Virtual Reality Panel, Stanford Design Conference. Stanford, CA, July 1991.

International Workshop on Virtual Reality, invited contributor, Esalen Institute, Big Sur, CA, June 1991.

“Art and Artistry in Telepresence.” 2nd Int'l Conference on Cyberspace. Santa Cruz, CA, April 1991.

“Interface and Narrative Arts: Contributions from Narrative, Drama, and Film.” Panel Chair, CHI '91 (ACM SIGCHI). New Orleans, April 1991.

“The Telepresence Medium.” Lecture, Athens Film Festival, Ohio University, April 1991.

“Changing Minds: Persuasion and Representation in Computer Games.” Computer Game Developers' Conference. San Jose, CA, March 1991.

“Global Media and Common Ground.” Lecture, Art Futura, Barcelona, January 1991.

“Virtual Reality Design.” Lecture, International Forum on Multimedia, Tokyo, October, 1990.

“The Face in the Rock.” Lecture, Ars Electronica, Linz, Austria, September 1990.

“Interface and New Interactive Systems.” Panel Chair. SIGGRAPH '90, Dallas, August 1990.

“AI and Interactive Fiction Workshop.” With Joseph Bates of Carnegie Mellon University. AAAI, Boston, July 1990.

“Gender and Cultural Bias in Computer Games.” Panel Chair. Computer Game Developers' Conference, San Jose, CA, April, 1990.

“Cyberspace/Artificial Reality.” Panel. Multimedia and Hypermedia Expo. San Francisco, CA, June 1989.

Personal Interests and Activities

Activism and citizenship: Active in multiple organizations devoted to human rights and earth justice.

Storytelling: performance, slam, digital storytelling.

Science and culture: Biology, evolution, emergent systems, science fiction.

Writing: Essays, fiction, poetry, stories and plays for children, and musings on politics and culture.

Photography: Nature and underwater photography and videography.

Play: Trekking, camping, snorkeling, kayaking, abalone hunting, boogie-boarding, vegetable gardening.

Tai Ch'i (Wu form): Individual practice and instruction at Art Center, CCA and UCSC.

Improvisation and theatre sports: In classrooms, companies, and just for fun.
